**Please read the following instructions carefully.**

### **Prices per event day:**

	<b>Preregistered*</b>	<b>Price on site</b>
<b>Parking space</b>	12,00 Euro	15,00 Euro
<b>Electricity</b>	10,00 Euro	10,00 Euro

- The parking space prices are per event day, not per overnight stay. Outside the event days, only the pre-ordered electricity will be charged.
- Dog exhibitors will receive a €3 discount on the daily price during the event days (28.09.-29.09.2024) on presentation of their VDH parking permit.
- Please have the total amount ready in cash on site. An invoice will be issued only in exceptional cases!
- Cancellations free of charge are possible up to one week before the start of the trade fair. After that, the full invoice amount is due.

**\* Only registrations received by us no later than 14 days prior to the start of the fair will be considered pre-registered motorhomes.**

### **Infrastructure:**

Parking areas at Messe Karlsruhe are no campgrounds, for this reason the infrastructure for motorhomes must be created for each event. This means:

- 14 working days before the start of the trade fair, our electrician will be commissioned to provide the requested power connections.
- A water connection (no drinking water) and a waste disposal station are available at a central location in our parking lot.
- On site we provide you with a possibility of waste disposal.

### **More detailed info:**

- You will receive more information about the schedule and the exact location by mail about one week before the event starts.
